

SILVER AWARD

Dear parent / carer,

The DofE is a great chance for your child to broaden their horizons, discover new interests and talents, have fun with friends, develop essential skills for their future and achieve an internationally renowned Award.

As your child has completed Bronze, we are offering the opportunity to sign up for a Silver Award. For this, participants must complete four sections: Skills, Volunteering, Physical and their Expedition, and if they have done Bronze this can be completed in less time

Every young person's DofE programme is personal to them – they can choose what they'd like to do for their Skills, Volunteering and Physical sections, and most activities can count.

Activities for each section take a **minimum** of one hour a week over a set period of time, so they can fit around studying, hobbies and social lives. For more details about programmes and timescales

About the expedition

The Expedition section involves your child working as part of a small team to plan their expedition's aim, choose a location and do some training, and plan a route to make sure they're fully prepared

The motivation and focus the DofE gives, and its positive impact on mental and physical health, can play an important role in helping your child navigate their expanding world and giving them skills and experiences to open doors in the future.

eDofE and the DofE app

Participants can create their DofE programme and record their progress using eDofE, the DofE's digital system, available online at eDofE.org and through the DofE app .

The cost of completing Silver DofE is £210 participant. This covers your child's participation place and Welcome Pack, which will be sent to their home address and includes their personalised DofE Discount Card. All expedition costs, kit loan, travel, training gas and assessment are included
