As explained previously, given COVID-19 restrictions, there have been delays in production of our uniform. Orders will be delivered into school ready for you to collect. After a few days, there will be an opportunity to come into school to exchange items where a wrong size has been ordered. The time lag will ensure a sufficient quarantine period for any tried on and returned items. We will, of course, publish updated information on our website as dates are confirmed.

**Provisional** order delivery dates into school (may be subject to change):
