I will always be available to help and support you whilst you are at Marshland. In my spare time I enjoy reading and socialising with my family and friends. I look forward to meeting you soon

Year 7 Form Tutors 2020/2021

Mr Moore

Hello I am Mr Moore, teacher and Head of Geography. This is my fifth year at Marshland, before that I worked at TCA for nine years. I was born and bred in this area, and even went to Marshland as a kid. I still live near Wisbech, so I am very much a local. I played football and cricket in my younger days and still like to keep fit by running and cycling. I love spending time with my family whether it be days out or holidays, as long as it's somewhere 'geographical'. At home I like to chill out by reading, watching films and listening to podcasts. Looking forward to seeing you.

Mr Cook

Hello I am Mr Cook. I am a Mathematics Teacher who has also taught Statistics, Business Studies and ICT. I have recently re-joined Marshland High School, but I am not a stranger to the school having worked here for a total of 11 years through my teaching career. In my spare time I like travelling, cycling and reading.

Mr Swinburn

Hey, I am Mr Swinburn and I am head of PE as well as your new form tutor. I have been at Marshland now for 23 years, so you could say I know the school inside and out. I am a former international England Hockey player who was in the initial squad for the GB team at the Barcelona Olympics. I was also a nationally ranked athlete (100m). In my spare time you could find me coaching in Kings Lynn at Pelicans Hockey Club during the evenings, as well as doing many clubs for all our pupils to enjoy. I am here for you, so please use me to talk to, bounce ideas off and together we will forge forwards.

Miss Dye

Hello, I'm Miss Dye, Head of Humanities and History teacher. I have worked at Marshland for 10 years now but never had the pleasure of having a year 7 form. I'm really looking forward to showing you all around. I live in King's Lynn and have 2 young children who keep me busy. In my spare time I enjoy long walks, reading and days out, often somewhere historical.

Mr Jennings

Hello my name is Mr Jennings. I am a third in department for science. I also run the science club each week where we carry out fun experiments. This is my fifth year back at Marshland high school, and I have been teaching for thirteen years now. In my spare time I train and coach a martial art called Taekwon-do which keeps me fit and active and has given me an opportunity to travel the world. I am very much looking forward to seeing you all in September, as I know its going to be very exciting.

Mr Hester

I am Mr Hester, I have worked at Marshland for 3 years as the Head of Music and have had a lovely time here; I now spend my life here and it's my second home.

I am a self-taught musician and can play the piano, drums, ukulele, and a few chords on the guitar. I also compose my own music and am currently writing a Caribbean style musical called 'Captain Paige'.

I was born in North Carolina, USA but nobody ever believes me because I have a British accent. I have been in the UK for many years and currently live in Cambridge, and I very much enjoy my long drives to school every day.

Aside from music I enjoy drawing cartoons, graphic design, skateboarding (ouch!), astronomy, and large aircrafts, also my favourite chocolate bar is a Wisper Gold.

I am looking forward to welcoming you to Marshland in September, see you then!

Mr Clark

Hello! I am Mr Clark and I am a teacher of English. I have recently joined Marshland High School having completed my teacher training at the school and liking it so much I decided to stay. In my spare time I enjoy writing and reading, as you would expect, but also enjoy board games, video games and cooking.
