

21st March 2023

Dear Parents & Carers,

Careers Fair – Thursday 27th April 2023

Marshland High School is pleased to share our Careers Fair taking place in school on Thursday 27th April 2023.

We have secured a wide variety of companies and further education providers to allow our students to find out more about different careers and their future pathways.

Year 9 and 10 students will have opportunity to attend this event during the school day.

To allow more in-depth conversations, we would like to invite our Year 10 and 11 students to attend the evening session with parents or carers to explore their future possibilities. This evening session will run from 4-6pm and can be booked using the <https://www.eventbrite.co.uk/e/marshland-high-school-careers-fair-thursday-27th-april-2023-tickets-591430593827>. The deadline to book your tickets is Wednesday 19th April 2023. During the evening short talks will also take place including:

- College of West Anglia at 4.30pm,
- Springwood High School Sixth Form at 5pm, and
- Norfolk Pathways 5.30pm including information about apprenticeships

Previously, sessions have proved very popular so we may have to limit our students with one guest, just for the talks.

Please be aware building work are continuing on site and parking may be limited.

We look forward to meeting you at this exciting event.
