

24th January 2023

Dear Parents & Carers

You may be aware that the National Education Union will be taking strike action in regards to a dispute on pay, conditions and Government school funding.

The first strike day that has been announced is next Wednesday 1st February 2023.

We are currently assessing what the possible impact may be. This strike action may mean the partial or full closure of our school. The leadership team is preparing a continuity plan that aims to minimise, where we can, any negative impact on your family and your child's education.

We will send a further communication advising parents of the situation regarding partial or full school closure on Monday 30th January, when we know more.

Thank you for your understanding.

Kindest regards

Craig Jansen
