

Marshland High School Update - 1st October 2021

Parent Governors

The school highly values the contribution that our parents can make to our community. We would be interested in receiving expressions of interest from any parents wishing to become a governor at the school. We have parent governor vacancies that we would like to fill. Please email your expressions of interest to head@marshlandhigh.co.uk by Monday 11th October 2021.

Parent Forum

Mr Duce hosts a Parent Forum three times per year (once each term) to gather your input into key areas and allow you the opportunity to hear about upcoming developments. If you would like to attend these meetings, please email office@marshlandhigh.co.uk to express your interest.

Year 11 GCSE Support

To help students make up for lost learning time during lockdown, as well as provide additional support for completing essential coursework and revision, there are a large number of extra intervention sessions taking place this term.

You can find all the latest [Year 11 information](#) including important dates, key revision guides and the intervention schedule on our website at

<https://www.marshlandhigh.co.uk/key-stage-4-step-up-to-gcse>

2022 GCSE Results Day for Year 11 has been confirmed as Thursday 25th August 2022.

School Photographs

Links have been sent home to parents for the recent Tempest school photographs. If you have not received your email please contact office@marshlandhigh.co.uk with the relevant student details and an outline of the issue.

Morrisons - Help to Grow

Marshland have been nominated to benefit from Morrisons 'It's Good to Grow' scheme where you can donate Grow Tokens to local beneficiaries through the downloadable app. We will be able to exchange the tokens for free gardening equipment to use in our newly developed Science Garden.

Student COVID-19 Home Testing

New home-testing kits have been handed out to students in form time. Please note the tests are different and you should refer to the instructions included. It is important that our students test ready for Monday and Thursday mornings. COVID-19 is still prevalent in our community and it is therefore vital that you abide by the latest Government advice in relation to testing and any subsequent isolation.

Flu Nasal Immunisation

Consent forms have been given out to all students. If you have not already done so, please return your form promptly if you would like your child to participate (or not) in November.

COVID-19 Vaccination

We are yet to receive final confirmation of the COVID-19 immunisation programme for 12 years and older. Please be assured that we will keep you fully informed when the programme is to start. Parents will be asked to either give consent, or decline, through an

online NHS portal. The school will have no involvement with issues of consent. Students will not be immunised unless consent has been provided by the required deadline.
