

Marshland High School

Moped Contract

School gives permission for student: _____ to travel to and from school on their moped subject to their agreement to abide by the following conditions:

- The moped may only be used for journeys to and from school to meet the official times at the start and end of the school day.
- The moped must not be ridden on school premises during the school day. The rider must dismount at the school gates and push the moped to the parking point. This procedure must be repeated, in reverse, at the end of the school day.
- No other pupil must ride the moped or be carried as a passenger.
- A crash helmet must be worn at all times whilst riding the moped.
- The crash helmet must be left in Miss Mowat's office (S5) during the school day, not carried around the school.
- The moped must be taxed, insured, road worthy and have a MOT as necessary.
- The rider must have completed the required compulsory basic training (CBT) and have the appropriate UK provisional driving licence.
- School accepts no responsibility for any damage or injury to rider or equipment that may occur.
- The moped must be ridden with consideration to the wider school community and other road users.

The school reserves the right to withdraw from this agreement with immediate effect if these conditions are not met.

I accept the above conditions:
