

MHS Update – September 2025

It has been lovely to see all our students return after the school holidays and as always it has been a busy start to the term. An especially big welcome to our new Year 7 students who are settling into life at Marshland. Firstly, an apology - as you may be aware we experienced some technical issues with the MCAS app and school photos at the start of term, but these have now been resolved. Thank you for your patience through this time.

Medical Appointments and Student Collections

Finding students for pre-arranged appointments during break and lunch times can be quite difficult. With the entire student body on the move, it often takes a significant amount of time to locate a specific child, which can cause delays for you and your child.

To make this process as smooth as possible, we kindly ask that for any appointments requiring you to collect your child, you arrive either just before the start of the break or lunch period, or just after it ends. This will allow us to have your child ready and waiting for you, ensuring a quick and easy pickup.

We also want to take this opportunity to remind you to be considerate when scheduling appointments during the school day. We understand that some appointments are unavoidable, but every absence from class, even a partial one, can disrupt a student's learning. Please consider booking appointments outside of school hours whenever possible.

Evolve Trip Consent

You should have received an email inviting you to fill in the blanket consent form for local trips and visits. This is only valid for trips that take place during the normal school day during this academic year. Please complete the consent form sent via Evolve. For longer day trips or residentials, you will receive separate forms to complete as part of the trip booking.

If you are a regular driver that collects from Marshland High, and would like to be allocated a regular driveway / parking space Monday - Friday, 15:15 to 15:45 term time. You must adhere to the owner's instructions, and not use the drive at any other time than school pick up. There is no charge for this.

Please email helenspear209j@gmail.com to register for a space. She will put you in touch with a space owner as they become available. Please include your email address, which end of the village you enter - King of Hearts or Highwayman, and if your child has mobility issues and unable to walk at least 100 yards. Spaces that are that close to the school are extremely limited.
