

February 2026

Dear Parents & Carers,

I have the pleasure of contacting you to launch our Year 9 GCSE Pathways programme. Below you will find more information on the arrangements and support available to assist students as they complete the GCSE Options process.

- Each student will receive a GCSE Pathways booklet during tutor time, full of information and guidance on subject areas. We ask that they complete this carefully, making notes and completing the back page before they finalise their selections as outlined below. A digital copy of this booklet is available on the website or by email on request.
- A pathways letter will be sent to you for your child to record their choices and bring to their Computer Science lesson in order to enter their selection onto our system (Bromcom).
- Our GCSE Pathways micro-site is full of information videos recorded by our teams for each Key Stage 4 subject. These videos will be publicised to students via the following link.  
(<https://sites.google.com/marshlandhigh.co.uk/mhspathways>)
- Students will receive guidance on entering the data for subjects that they would like to follow at GCSE. Students will enter their GCSE Options during regular Computer Science lessons starting **Monday 9<sup>th</sup> March 2026**.
- Should you have any subject specific questions relating to GCSEs, we encourage students to firstly approach their subject teacher, or the member of staff linked to that subject in the Pathways booklet, or request a phone call from the department. If parents and carers require any further guidance beyond this, please contact me, Olly Mackett, with your questions and I will follow up and respond to you directly.
- **Year 9 Parents Evening is Thursday 16th April 2026**. If a student wishes to modify their choices following this event, the final deadline for changes will be **Thursday 30<sup>th</sup> April 2026**. Students should speak directly to Mr Lucas to do this.

Thank you for your patience and support as we complete this important process. We will be in touch later in the summer term to confirm exactly which subjects your child will be studying from September 2026.

Yours faithfully,

Mr Olly Mackett  
Deputy Headteacher
