

4th February 2026

Dear Parents & Carers,

Re: Year 11 Half-Term Intervention Sessions

As we approach the final months before the GCSE examinations, we are committed to providing our Year 11 students with the best possible support to help them achieve their full potential. To further aid their progress, we will be holding targeted subject intervention sessions during the February half-term break.

These sessions will focus on key topics and skills needed for success in the upcoming exams. They will be delivered by subject specialists and will provide valuable opportunities for students to consolidate their learning, address any gaps in understanding and refine exam techniques.

Intervention Details:

| Date | Subject | Time | Venue | Open to |
|------------------------------------|-----------|----------|-------|-------------|
| Tuesday 17 th February | 3D Design | 10am-1pm | D1 | Invite only |
| Thursday 19 th February | History | 9am-12pm | H2 | All invited |

Attendance at these sessions is highly recommended, particularly for students who have been identified as needing additional support. We appreciate your encouragement in ensuring your child attends important sessions.

If you have any questions, please do not hesitate to contact us.

There will also be intervention sessions running during the Easter holiday and May half term, details of which will be shared closer to the time.

Thank you for your continued support in helping your child succeed.

Yours sincerely,

Mr C Teanby
