My hobbies are football, training my ponies Sparkle and Coco they are Exmoor ponies and also like to play with my dogs Bongo and Pink and my brother, I also enjoy running, and shopping, my favourite thing to eat is spaghetti. when I leave secondary school, I want to go to college and study nursing just like my dad. I live in the very beautiful village of Walpole St Peter; Where I live with my mum my dad and my brother my mum is an E.A for Amazon. And my dad is a Nurse for the NHS he is also at the Anglia Ruskin University, my brother is going to be in year 7 in September. I love drawing things and I also enjoy painting because it helps to calm me and I find it very relaxing because it's just me and the canvas. I just want to say thank you for doing everything to support people and you are all heroes.

I am writing today to say a very big thank you to all the staff for all the work that you have put in at this very stressful and difficult moment in time I have never seen anything quite like this in my life , this pandemic is very hard for everyone because no one has ever experienced anything like this. And you have been the very thoughtful special people that you are and worked ever so hard to make sure that everyone has food and the shelves are all stacked up the delivery drivers are doing a smashing job keep up the work.
