Dear NHS staff

Covid 19 - kindness letter to NHS staff

Hello my name is Amit [redacted] I am 14 year old and I love helping people I do health and social care I love look after people and I what want to work with children or old people.

I am writing to you to tell you all your doing a great job and I want to tell you a big thank you for save people life and helping them I watch some of NHS videos and I say to my self your a great job and what to say a big thank you again

NHS are doing a great job because they save people life and help people and you work as a team

I look after people e.g grandad is he 76, sometime I look after my sister and mother and help my mum and dad cooking I want to work with like kids or old people or cooking some where or work in a hospital

I am doing my work for school and helping family and watching the news everyday
1 thing I don't go outside only in my garden you have to be kind and respectful they save life and help people and wish there like

NHS have to say positive so they
can help people

your your faithfully

Amie
